Recent client comment:

"I do hope that all the staff were really pleased with themselves at having accommodated the various requests which the large numbers involved. The hotel space certainly seemed to lend itself well to the mass of people and I trust everyone found it a positive experience at the end of the day.

We did all hugely enjoy being in Jersey with that amazing sunshine and wonderful food everywhere we found ourselves. I am sure lots of people will come back again at some time when they have more time to see around."
